Article type

Full-length empirical research article.

Target journal

Journal of International Financial Markets, Institutions and Money.

JEL classification

C12; C22; G11; G14; G17.

Funding

This research received no specific grant from any funding agency in the public, commercial, or not-for-profit sectors. TO BE CONFIRMED

Declaration of competing interest

The author declares that there are no known competing financial interests or personal relationships that could have appeared to influence the work reported in this paper. TO BE CONFIRMED

CRedit authorship contribution statement

Vahid Solouk: Conceptualization, Methodology, Software, Validation, Formal analysis, Investigation, Data curation, Writing – original draft, Writing – review and editing, Visualization, Project administration.

Data and code availability

Public repository and immutable release commit: pending final GitHub synchronization.

Raw third-party broker/vendor files are not redistributed where provider terms restrict release.

Derived evidence and immutable input hashes are included in the replication package.

Author verification required before upload

The author must confirm the authorship list, funding statement, competing-interest statement, repository URL and commit, and exclusive-submission status. ORCID and a public profile URL may be added if available.
